FAST, COMPLIANT FIRST AID ROOMS FOR YOUR SITE

Respond to medical incidents fast with a dedicated on-site first aid room. Our portable first aid rooms provide a hygienic, fully equipped space for medical treatment and worker care. Designed for construction sites, events and remote locations, comply with safety regulations while delivering a secure and professional medical facility. Built for hygiene and durability, they feature easy-to-clean vinyl floors, stainless-steel kitchenette benches, and hot and cold water facilities.

Available as standalone units or stackable within a worksite compound, they provide a flexible, space-efficient solution with 10Kpa rating ideal for various operational needs.

- > Comfort in any climate**
Insulated and split-system reverse cycle air conditioning.
- > Essential amenities**
Hot and cold-water supply for first aid needs.
- > Sterile treatment space**
Durable stainless-steel kitchenette for easy sanitation
- > Built for high-traffic**
Hard-wearing vinyl flooring for durability and hygiene.
