OUR PURPOSE: TO BUILD A BETTER FUTURE TOGETHER

We work together with our customers, communities and employees to find solutions with a shared commitment to service and safety.

To us, this is a simple, but powerful notion we call Work United™.

United Rentals

**WE ARE
THE WORLD'S
LARGEST
RENTAL
PARTNER**

WORK UNITED

BUILDING A BETTER FUTURE TOGETHER

The unique partnership between our team, our customers, and our communities is what sets us apart. At United Rentals, we strive to build a brighter future for all by fostering a culture of mutual care, with safety and service as our highest priorities. This is the essence of what it means to Work United™. By prioritising collaboration, we work closely with suppliers to deliver tailored solutions for our customers while leaving a positive impact on the environment and the communities we serve.

INDUSTRY-LEADING SAFETY STANDARDS

United Rentals consistently delivers industry-leading safety results as part of our unwavering commitment to achieving zero injuries. Our “safety first and always” ethos is a defining strength. Through a comprehensive safety strategy, spanning every location and worksite, we ensure that all workers are properly trained and that risks of injuries and accidents are minimised. This provides our customers with confidence that our teams will remain safety-focused while supporting your projects.

YOUR SINGLE-SOURCE SOLUTION WITH COMPREHENSIVE RESOURCES

Coordinating multiple vendors can be time-consuming and resource-intensive. United Rentals simplifies this process by offering a wide range of specialty equipment and services nationwide. From earthmoving and site accommodation solutions to shoring, propping, fluid solutions, traffic management, and crew training, we have the expertise and resources to ensure your project is completed safely, on time, and on budget.

COMMITTED TO REDUCING OUR ENVIRONMENTAL IMPACT

United Rentals is dedicated to reducing our environmental footprint while inspiring positive change throughout our value chain. Why? Because it’s the right thing to do—for our stakeholders, our communities, and our planet. Beyond advancing our own sustainability efforts, we bring expertise, technology, and a versatile fleet of innovative equipment to support your environmental goals. Together, we can drive meaningful change and build long-term value for all.

WELCOME TO UNITED RENTALS AUSTRALIA & NEW ZEALAND

We're embarking on an exciting journey to expand possibilities for the Australian construction and hire industry.

With a focus on growing our fleet, expanding our footprint, and building trusted partnerships, we're laying the foundation for better outcomes for local businesses and their customers.

This marks the beginning of a new chapter - bringing greater choice, innovation, and trusted solutions to the market as we work to build a stronger future.

5 STEP GROWTH STRATEGY

-  Growing fleet
-  Growing footprint
-  Supporting the Australian construction & hire industry
-  Better outcomes for local businesses & their customers
-  Bringing greater choice to the market

THE GROWTH JOURNEY SO FAR

ORANGE HIRE

One of Australia's leading general rental companies with a modern fleet of earthmoving & traffic management on the east coast.

SHORE HIRE

Shore Hire is the country's leading shoring equipment provider, offering reliable, high quality shoring, propping, and traffic solutions with exceptional service and industry expertise.

ROYAL WOLF

Royal Wolf is Australia and New Zealand's leading storage solutions provider, specialising in shipping container solutions and portable storage needs with unmatched expertise.

COMMITMENT TO OUR EMPLOYEES, CUSTOMERS, & THE ENVIRONMENT

United Rentals is excited to service Australian and New Zealand and look forward to further expanding our network in the region.

The powerful partnership between our team, our customers and our communities makes our organisation special. We choose to build a better future for all by looking out for one another while keeping safety and service a top priority. When we do that, we Work United. By doing so, we are better able to collaborate with suppliers to find the right solutions for our customers while leaving a positive impact on our environment and communities.

We are proud to have the best people, equipment and solutions in the industry. Whatever your projects demand, you can depend on United Rentals from start to finish. Count on the world's largest fleet of rental equipment, outstanding service and support, with numerous locations across Australia and New Zealand, and experts ready to help you find the best off the shelf or bespoke solutions. When you need to get the job done, we're here to help.

COVERING AUSTRALIA & NEW ZEALAND

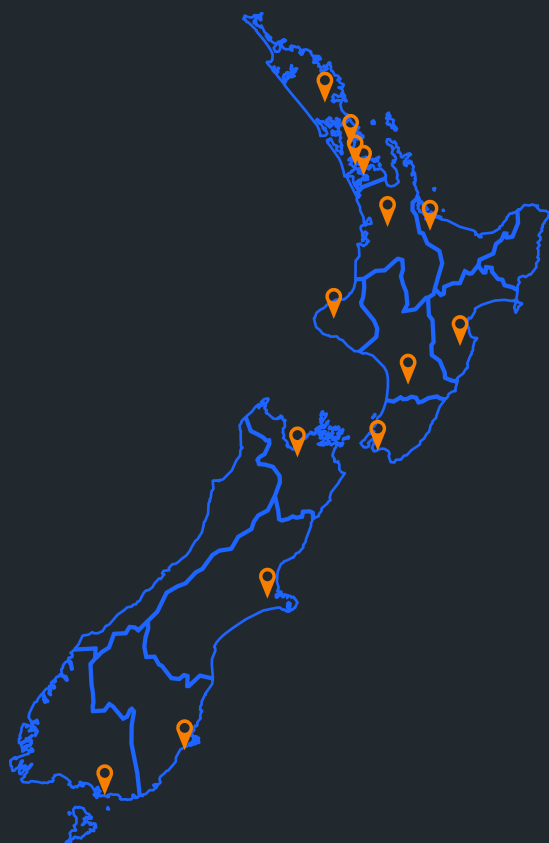

United Rentals is proud to be a truly international partner, supporting businesses across Australia and New Zealand with world-class equipment, expertise, and service.

We are currently growing our network and fleet across Australia and New Zealand and while some equipment may not currently be available at one of our locations, please contact us to discuss your requirements.

As we continue to expand and enhance our capabilities in the region, our customers can rely on the same industry-leading standards that have made United Rentals the largest equipment rental provider in the world.

Whether you're in Australia or New Zealand, our team is committed to delivering tailored solutions and unparalleled support to meet your project needs.

EARTHMOVING & TRAFFIC MANAGEMENT SOLUTIONS.

United Rentals General Rental division, through its acquisition of Orange Hire, is one of Australia's leading suppliers of earthmoving and traffic management solutions. With a large presence on the east coast of Australia backed by a passionate team of experts, United Rentals offer one of the newest fleets of earthmoving machinery, attachments, and traffic management equipment. With an experienced team and a commitment to our customers, product quality, and safety, United Rentals is here to meet your every need in earthmoving and traffic management.

MODERN FLEET

With an average fleet age of just 2 years, customers benefit from the latest, safest, and most reliable equipment on the market. Whether in civil construction, infrastructure, or traffic management, our vast fleet ensures that you can access what you need, when you need it, without delays or compromises.

TRAFFIC MANAGEMENT & BARRIERS

United Rentals continues to lead the way in transforming traffic management solutions with an extensive range of Traffic Management and Barrier products, all designed with safety, efficiency, and adaptability at their core. Proudly Australian-made, our products are purpose-built to maintain order and protect both workers and the public from potential hazards.

A standout example is our Fortawall barrier system—an innovative, sustainable, and high-quality solution specifically engineered to fit Australian temporary pedestrian fencing panels, fully compliant with AS/NZS 4687 safety standards.

KEY PRODUCTS:

SHORING

United Rentals provides an extensive range of shoring solutions. These products are engineered to ensure safety and stability during excavation projects of all sizes, meeting the needs of the construction, utility, and civil sectors.

- Vertishores
- Modular boxes
- Trench boxes
- Sheet piles
- Hydraulic shoring
- Various edge protection products

PROPPING AND JACKING

Designed for strength and precision, these systems offer vital support for structural, construction, and refurbishment works, ensuring safe and efficient operations.

- Heavy-duty modular propping systems
- Acrow props
- Titan props
- Tilt panel props
- Hydraulic jacks

TRAFFIC AND TEMPORARY ACCESS

United Rentals supplies a variety of traffic management equipment to keep worksites safe, secure, and accessible. Our traffic solutions are ideal for roadworks and construction projects, ensuring compliance and safety in busy or high-risk areas.

- Steel road plates
- Trench covers
- Ground matting
- Temporary bridges

PIPELINE TESTING AND CONFINED SPACE

We offer specialised pipeline testing equipment to ensure system integrity and compliance. United Rentals also provides confined space equipment to maintain workplace safety.

- Blank and bypass plugs
- High-pressure test plugs
- Plug Accessories
- Gas detectors
- Portable gantries
- Recovery winches to maintain workplace safety.

PUMPS, DEWATERING, AND WATER TREATMENT

United Rentals range of pumps and dewatering solutions. We also offer water treatment equipment to address sediment control and water quality requirements, ensuring efficient and environmentally responsible site operations.

- Submersible pumps
- Diesel and electric pumps
- Trash pumps
- Wellpoint systems for managing site water

STORAGE CONTAINERS & WORKSITE FACILITIES.

United Rentals Storage Containers & Worksite Facilities Division, through its acquisition of Royal Wolf, delivers innovative, reliable containerised solutions for hire, sale, and modifications to your specifications if Royal Wolf doesn't have what you need. As the region's largest shipping container provider, United Rentals combines decades of expertise with a vast product range and an uncompromising focus on safety, customer service, and innovation. United Rentals offers over 48,000 containers catering to industries of all sizes and reaching even the most remote locations.

A pioneer in shipping container innovation, United Rentals leads the industry in customised solutions for construction, mining, defence, and events. With its future-focused approach, United Rentals continues to expand its product range, delivering flexible, durable, and tailored solutions that empower customers to "do anything" with containerised infrastructure.

IN-HOUSE ENGINEERING & MANUFACTURE

Our Design, Engineering, and Manufacturing facility manages the entire process—from concept to production—ensuring on-time, on-budget delivery. ISO-certified, we prioritise transparency and precision to deliver high-quality, tailored solutions.

KEY PRODUCTS:

GENERAL PURPOSE CONTAINERS

Durable, weatherproof, and available in a variety of sizes, these standard and high-cube containers provide secure storage for tools, materials, and equipment. Ideal for construction, retail, and logistics, they offer portable, reliable solutions for a wide range of needs.

COLD STORAGE CONTAINERS

Specialised shipping containers designed for the transport and storage of temperature-sensitive goods. Utilising advanced Carrier refrigeration technology, they maintain precise temperature control to preserve the freshness and safety of perishable items such as food, pharmaceuticals, and more.

DANGEROUS GOODS STORAGE

Engineered for maximum safety, these containers provide secure storage for hazardous materials. Features such as spill containment, ventilation, and advanced locking systems ensure compliance with stringent safety regulations for chemicals, fuels, and other dangerous goods.

PORTABLE WORKSITE OPTIONS

Essentials for worksites and events. Stackable and rated to 10Kpa our containers can fit your site requirements.

- Site Offices
- Ablutions
- First Aid Rooms
- Site Hubs and more

SUSTAINABLE SOLUTIONS

Our sustainability initiatives focus on reducing waste and promoting reuse. The Site Hub solution enhances eco-friendly site operations by integrating solar power and providing a modular, ready-to-go setup. This enables businesses to achieve their sustainability goals while minimizing environmental impact.

TRANSPORT AND LOGISTICS CONTAINERS

Designed for seamless movement of goods. Suitable for road, rail, and sea transport, they deliver efficiency and reliability for industries such as mining, agriculture, and freight logistics.

- Flat-rack
- Open-top
- Rail Curtainside
- Sea Cells
- Half Height Containers

MODIFIED AND CUSTOMISED CONTAINERS

From portable offices and accommodations to bespoke retail spaces, United Rentals tailored solutions transform containers into versatile assets. These innovative designs combine functionality and creativity to meet specific project requirements. Our special project teams can meet your project requirements.

ENGINEERING & MANUFACTURING CAPABILITIES

TEMPORARY WORKS ENGINEERING TEAM

United Rentals is proud to have a fully in-house team of certified and chartered engineers who are experts in our products and their applications.

They provide unmatched support, from professional advice to fully certified temporary works designs and on-site sign-offs, ensuring industry-leading safety and efficiency standards.

With extensive experience across a vast number of projects each month, our engineering team consistently delivers exceptional results. They also host highly-regarded Lunch & Learn sessions for customers and design firms, offering valuable insights into best practices and safety in temporary works.

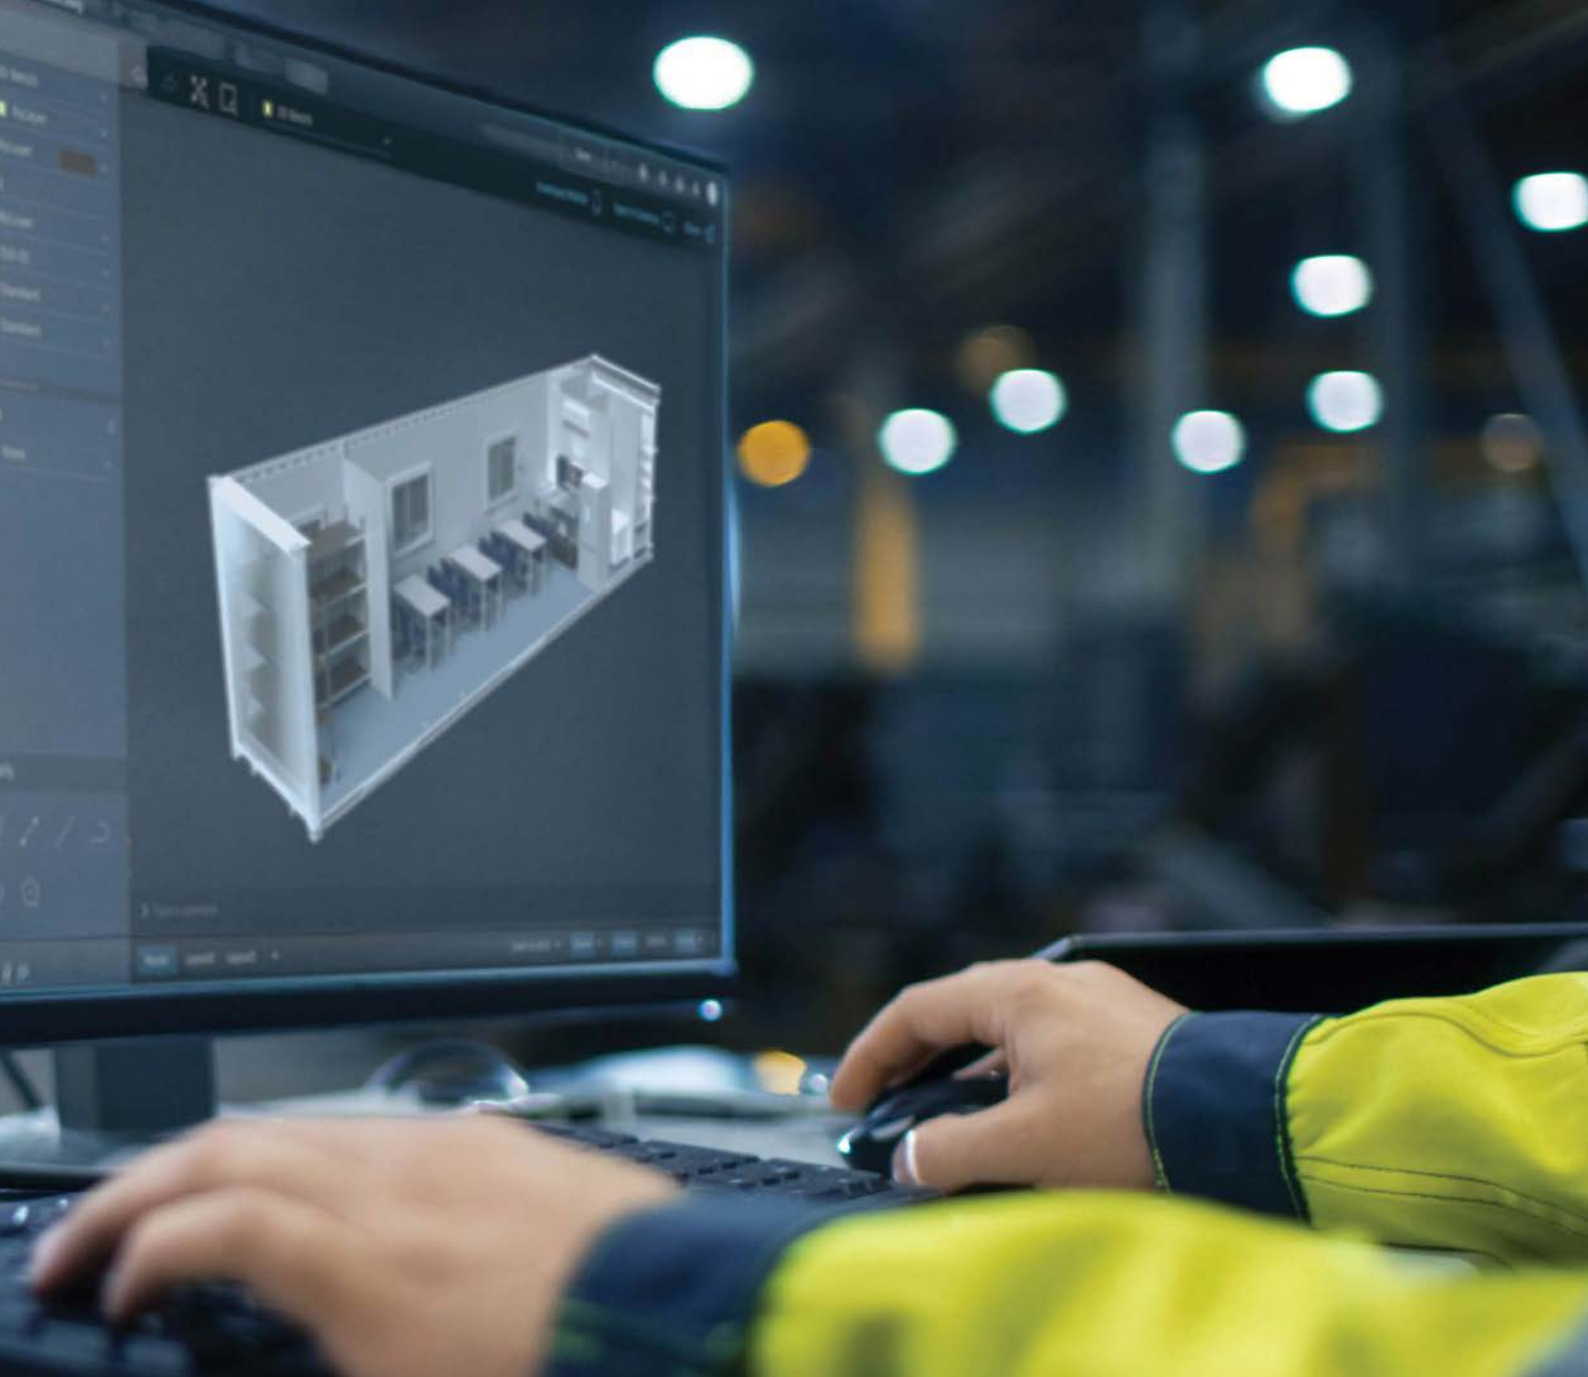

Complementing our project engineering team, our dedicated product development team drives innovation through advanced R&D and state-of-the-art product modelling, delivering cutting-edge solutions tailored to meet our customers' needs.

BESPOKE MANUFACTURING & CUSTOM ENGINEERING

United Rentals offers world-class manufacturing capabilities, working hand-in-hand with our certified and chartered engineers to deliver bespoke solutions that meet even the most unique project requirements. From tailored temporary works designs to customised modifications for a wide range of container solutions, whatever you need, we have the expertise to design and build it.

With a highly skilled team of local professionals, we proudly produce flagship Australian-made products built to the highest standards. We thrive on delivering innovative, solution-driven outcomes—if we don't have the perfect product on the shelf, our team will craft a custom-built solution to ensure your project's success.

Our Storage Containers & Worksite facilities division are continually working with customers to design bespoke solutions to meet clients needs such as, portable eateries, popup kiosks, maggot hatchery for military medical field deployment and customised switch room facilities.

SPECIAL PROJECTS

Customised modifications that cater to your unique requirements, supported by a team of in-house engineers, draftsmen, and manufacturers.

United Rentals' container modification service offers tailored solutions to customers who require specific modifications that cannot be serviced by standard shipping containers. Our dedicated Design, Engineering, and Manufacturing facility works with customers from the initial concept request through the entire design, engineering, prototyping, signoff, and manufacturing process to deliver on time and on budget. Our ISO certification ensures customers are included in the development process and informed. This ensures that we deliver high-quality solutions that meet customer budget and project needs.

**DEFENCE CONTAINERS**

DEFENCE

United Rentals has been contracted through its Royal Wolf Division by the Department of Defence to design and build a fleet of 300 personnel restraint modules.

These purpose-built modules, which will be fitted to the back of artillery trucks, enable the safe transportation of up to eight crew members during military operations, as well as humanitarian and disaster relief assignments.

UNITED RENTALS - A QUALIFIED AUSTRALIAN RTO

United Rentals owns an accredited Australian Registered Training Organisation (RTO)

We are proud to own and operate Shore Train in Australia (RTO #46171) providing nationally accredited training. We specialise in courses for Resources and Infrastructure Industry and Manufacturing providing high-quality learning materials and premier student support to deliver a unique learning experience. Our current courses include Confined Space Entry, Install Trench Support, and Working Safely at Heights. We deliver training that is customised to meet student, industry and where relevant, employer needs and in line with the delivery strategy for the qualification.

PROTECTING THE FUTURE

ENVIRONMENT

COMMITMENT TO MINIMISING OUR ENVIRONMENTAL FOOTPRINT

United Rentals is committed to protecting the environment by conducting our operations in an ecologically sustainable manner and preventing pollution. Together with our existing initiatives to preserve the environment United Rentals will seek to ensure the goals of this policy continue to be met now and into the future.

- ISO 9001 Quality Management System certification for design and engineering scopes.
- Zero environmental incidents.

SUSTAINABILITY

PLANET UNITED - BUILDING A SUSTAINABLE FUTURE TOGETHER

Planet United is focused on pursuing our mission of creating a better world through activities that bring awareness, engagement, and improved efficiency. United Rentals respects and appreciates our people and clients, the community in which we work, and the natural environment. We engage in practices that lead to positive change by encouraging social accountability and environmental responsibility and actively seek to make a positive contribution to the world around us by focusing on the way we work and live. Our United Rentals sustainability framework summarises our focus areas and highlights the ways we will measure our contribution.

Reduction of environmental impact, including:

- Waste reduction – Reducing the amount of landfill by implementing recycling of metal (aluminum and steel), paper waste (paper and cardboard), printer cartridges, and batteries (office and industrial type).
- Greenhouse gas emissions – Our fleet includes more than 40% Hybrid vehicles as part of our USA fleet.
- Solar energy – Commitment to installing solar systems on all of our new facilities.
- Rain water harvesting - Commitment to installing rainwater collections systems on all our new facilities
- Arid gardens - Commitment to planting local drought tolerant vegetation to reduce water consumption.

NEWCASTLE DEPOT

LOOKING AFTER OUR CUSTOMERS & STAFF

SAFETY

INDUSTRY LEADING SAFETY RECORDS & STANDARDS

United Rentals is committed to managing all operations of our business by implementing effective controls to protect the health, safety and welfare of all workers, visitors, and business-related stakeholders by eliminating or minimising risks to health and safety.

- ISO 45001 Safety Management System Management System certification.
- Totika (NZ industry supplier pre-qualification) www.totika.org

MENTAL HEALTH & WELLBEING

United Rentals is committed to the health and safety of its employees and contractors, and all others that could be affected by our work activities. United Rentals aims to increase the understanding of psychological safety in the workplace, outline the risk management approach to psychosocial hazards as well as promoting wellbeing amongst United Rentals employees.

United Rentals has a 2025-27 Mental Health Strategy to create a supportive and inclusive working environment, where every individual feels empowered to prioritise their mental well-being and thrive in a community that fosters resilience.

Annual global and local events are celebrated such as R U OK Day, World Mental Health Day and International Women's Day to create a positive, safe environment for all of our employees and contractors. When employees feel valued and comfortable they are able to thrive in their work environment alongside their colleagues.

DAILY WORKPLACE META POSTURE HUDDLES.

A CULTURE OF SAFETY & CONTINUOUS IMPROVEMENT

OUR 5S PROCESS

United Rentals implements a rigorous standard across our branches known as '5S'. This system—Sort, Set in Order, Shine, Standardise, and Self Discipline—enables our teams to operate at peak performance while maintaining the highest safety and quality standards. By eliminating clutter, optimising workflows, and adhering to strict cleanliness protocols, our branches are designed to support seamless operations and superior customer service.

The 5S process is ingrained in our culture, ensuring every branch reflects our commitment to operational excellence, productivity, and creating a safe, welcoming environment for both employees and customers.

QUALITY

**UNITED RENTALS IS COMMITTED TO
WORKING CLOSELY WITH OUR CUSTOMERS**

We work to continually understand and deliver on requirements, including:

- Consistently providing customer focused service;
- Compliance with applicable legislative and regulatory requirements;
- Establishing and continually improving the Integrated Management System;
- Establishing a framework for setting, monitoring, and reviewing quality objectives.

United Rentals holds:

- ISO 9001 Quality Management System certification for design and engineering scopes.

ALL MACHINES ARE SERVICED AND SAFETY CHECKED BEFORE THEIR NEXT HIRE TO ENSURE OPTIMAL OPERATION ON YOUR SITE

CORPORATE & SOCIAL RESPONSIBILITY

VETERAN PROGRAM

At United Rentals, we are dedicated to fostering a workplace that values the skills, experience, and dedication that veterans bring. We are proud to announce our recent appointment as a Veteran Employment Supporter under the Veteran Employment Commitment.

This recognition underscores our ongoing efforts to not only employ veterans but to create an inclusive environment where they can thrive. We believe in providing opportunities that allow our veteran employees to leverage their unique talents and continue to serve in new ways within our organisation.

SAVE THE KIWI PROGRAM & VARIETY AUSTRALIA

United Rentals are also proud to support a number of long standing not for profit programs in Australia and New Zealand include Save the Kiwi (NZ) and Variety, The Children's Charity (AUS).

With the population of Kiwi Birds declining by 2% each year in New Zealand, the Save the Kiwi Program pushes to rebuild and conserve the country's Kiwi population. At United Rentals, we always strive to have a positive impact on our local communities, it creates a sense of pride and purpose amongst our team. Through our partnership with Save the Kiwi, we are heading towards protecting and embracing New Zealand's natural heritage long into the future. As part of our commitment, Royal Wolf has contributed by providing a hatchery for incubation, improving survival rates by 75%. Additionally, our staff actively participates in habitat regeneration weekend tree planting days to restore the Kiwi's environment and help ensure a thriving future for this iconic species.

royalwolf.co.nz/wolf-pack-backs-kiwi-conservation

Variety Australia is one partnership we are so honoured to be a part of here at United Rentals. Each Christmas we run an official Giving Program in which we donate a percentage of our invoices straight to Variety. Getting involved in this charity through attending Spin 4 Kids events and the Variety Adventure Ride brings an immense amount of pride to United Rentals. Being able to see where our contributions are going is very fulfilling and inspiring as a business and we are grateful to have been a long-time supporter of this charity.

shorehire.com.au/community-engagement/

DIVERSITY & INCLUSION

OUR PEOPLE-FIRST PROGRAMS

United Rentals is happy to support diversity and inclusion across our organisation on a global scale. We have a number of Employee Resource Groups and have already rolled out some of these across Australia and New Zealand, these include; Veterans United, Women's United, LGBTQTI+ United, Mental Wellness United and more. Our employee resource groups offer benefits and support to our team and help us continue to recruit the best people and ensure United Rentals remains an inclusive and progressive company. In Australia, we are proud members of the [National Association of Women in Construction](#) which actively encourages all industry sectors to employ women in leadership and decision making roles.

We actively encourage all our team members to take their own professional and personal development seriously and to explore all available opportunities at United Rentals. United Rentals are also HRIA - ANZ members and are proud to have staff involved.

Our staff members are also mentors and mentees within these programs and we are looking to expand our support for this in the future.

STAFF SUPPORTING STAFF

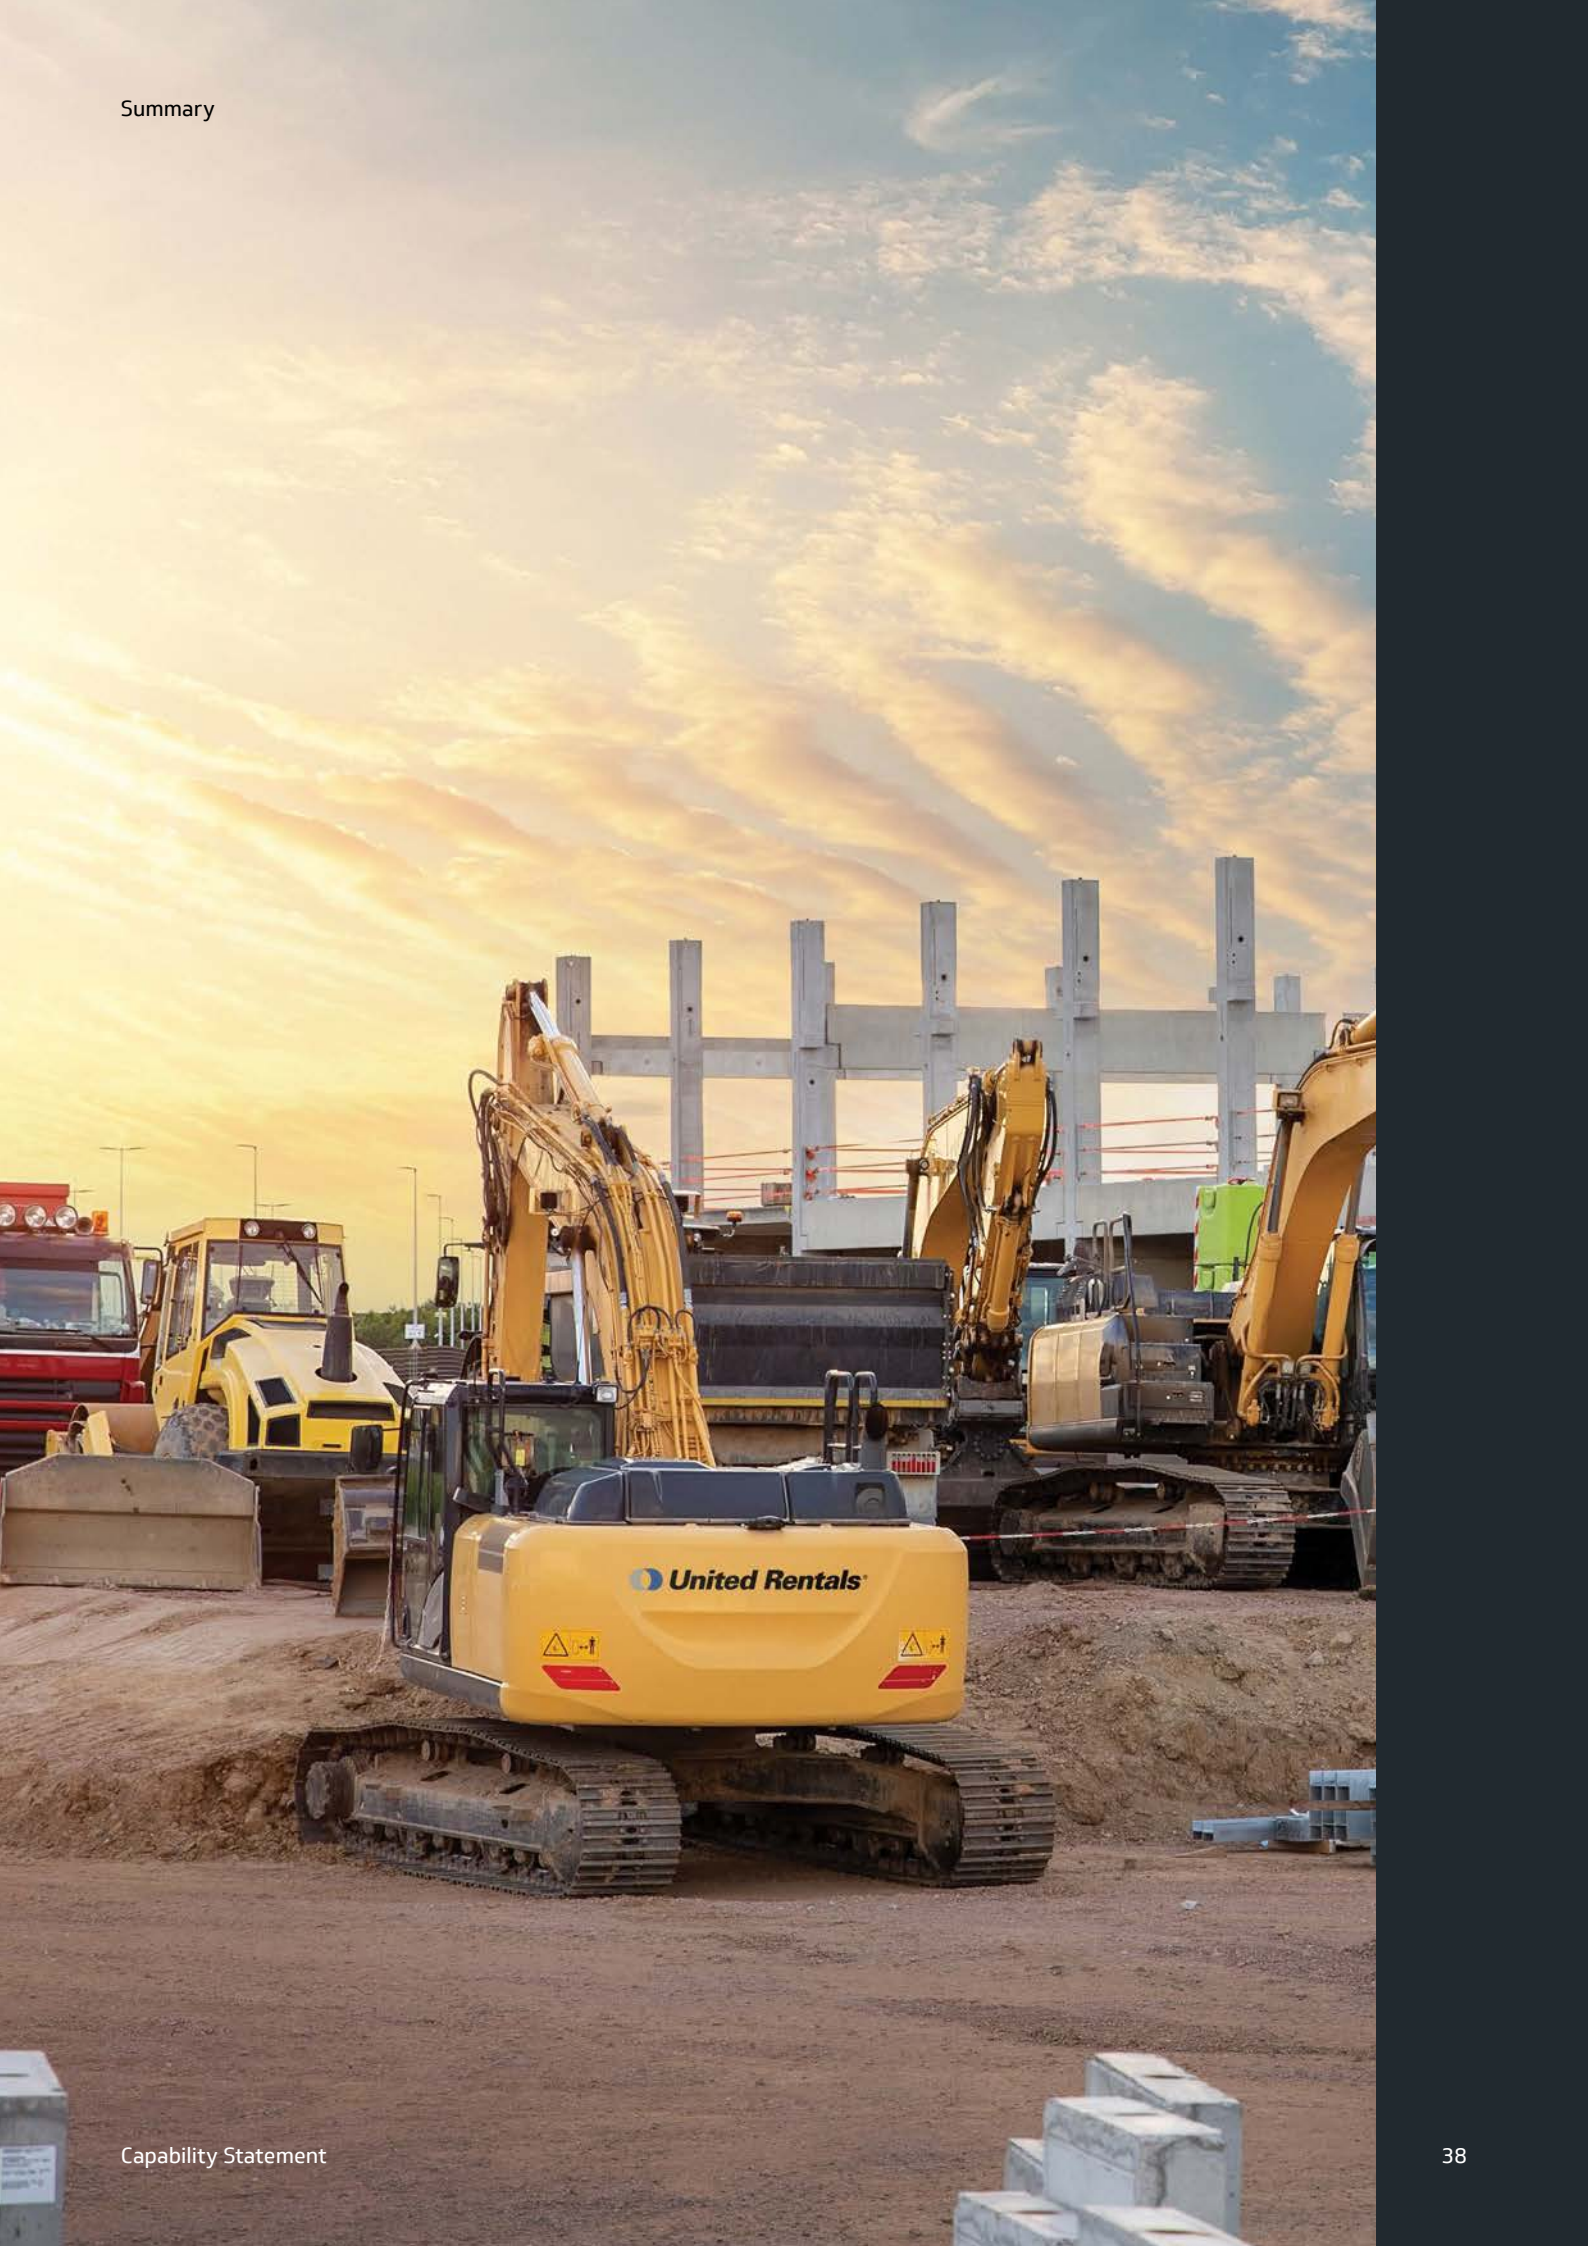

United Rentals has consistently been a top employer globally since our inception. Some of our recent accolades include winning Glassdoor's Best Place to Work in 2023, and being named one of America's best large employers by Forbes in 2022. One of the ways we continue to look after our people to remain an employer of choice is through our Compassion Fund, this is an employee-led charity organisation that collects donations from staff and helps out our people in times of need.
