## VAULT-LIKE SECURITY

Includes a tri-locking system that secures the door of the container at three points. Offers the highest level of security on the market that is patented and exclusive to Royal Wolf. For added security you can also include a Wolf Block Lock.

## INTERIOR RELEASE

If you have multiple people accessing the container and therefore at risk of accidental door closure, Wolf Lock safety containers can be easily opened from inside the container using our patented safety exit feature.

## QUICK AND SAFE ACCESS

If you are accessing your stored goods regularly, there is no need to bend down to open. Wolf Lock safety containers are easy to operate using a light touch, one hand single motion operation for fast access.

## SECURE AND WEATHERPROOF

Containers fitted with Wolf Lock provides vault like security, and weatherproof storage to protect your valuables.

## FIND YOUR WAY OUT IN THE DARK

Stay safe with a glow-in-the-dark emergency exit label that helps you locate and use the exit in low-light conditions.

## INNOVATION YOU CAN TRUST

Feel confident knowing your valuables are protected with award-winning security. Wolf Lock safety containers have been recognised for their superior protection and ease of use, winning the ABA100 Award for New Product Innovation 2019 and the ABA100 Award for Technology Innovation 2019.
